QUESTION 1

DO YOU APPROVE OF A LAW SUMMARIZED BELOW, ON WHICH NO VOTE WAS TAKEN BY THE SENATE OR THE HOUSE OF REPRESENTATIVES ON OR BEFORE MAY 2, 2018?

SUMMARY

This proposed law would limit how many patients could be assigned to each registered nurse in Massachusetts hospitals. It would also require a registered nurse to be present on all units where specified procedures or interventions are performed. The law would also make it easier for nurses to take possession of patients, to be paid for overtime work, and to receive workforce planning and development.

Ballots should be filled in only for the office, candidates, and political party shown on the ballot.

If you fill in any part of the oval to the right of the name of any candidate or political party, it will be considered a spoiled ballot.

If you do not vote in any space, use a blank line below for your vote.

Write-in space only will be counted if it is properly completed.

In this election, you may vote for one candidate in each office.
